

CTC Cambridge

Parental consent form (v3b)

Parental consent: Parents/ guardians of riders under the age of 18 must consent in writing to their participation in Cycling UK events and rides. The only exemption is where a young person having reached the age of 16 can prove they no longer live with their parents or guardians but are living as an independent adult. In accordance with the guidelines from Cycling UK's national office we ask that the rider bring some evidence to demonstrate this, such as a rent book or utility bill showing their name and address.

CTC Cambridge policy on young people's participation in cycling activities

The minimum age for unaccompanied children on any ride/event is 16. Children aged 16 to 17 may participate unaccompanied if they have parental permission and a signed parental consent form. There is no lower age limit if accompanied by a responsible adult acting in loco parentis, but a signed parental consent form is still needed. Parents or guardians must also understand: the demands of the cycling activity and that they alone can make the decision about the ability of their child to complete it; that the child may cycle with other adults and/or with other children, but that there is also a possibility of the child cycling on their own e.g. with treasure hunt events); that while CTC Cambridge extends a welcome to cyclists of all ages and abilities, no special provision for children is made; that arrangements to get to and from the event are the sole responsibility of the parent or guardian; that DBS checks may not have been done on event organisers or ride leaders.

Photography

CTC Cambridge will not publish photographs of riders (or participants at other club events) who are under the age of 18 without explicit permission from the parent or guardian. This applies to photos on our website, photos on social media such as Twitter or Facebook, or any printed material we publish.

This form is a customised version of the Cycling UK parental consent form for children to participate in rides or events. CTC Cambridge policy differs from the Cycling UK policy by setting a higher age limit of 16 for unaccompanied children.
